Consent for Care

Holistic, complimentary therapies should not replace or interfere with the care of a physician. I understand that it is my responsibility to consult my physician prior to a Reflexology and/or Reiki session. I acknowledge the treatment that I am receiving is not a substitute for medical examinations or medical care and that it is recommended that I am concurrently working with my primary caregiver for any conditions I have. I understand the practitioner will not diagnose conditions or prescribe medications. I affirm that I have stated all known medical conditions and answered all questions to the best of my knowledge. I agree to keep the practitioner updated as to any changes in my conditions. By signing this form I give my consent to a Reflexology session.
